MULTI TRAVEL PILLOW

nekmo

SYNCA

Go see the world, Again.

Do you love traveling?
Miss the unforgettable view?
Say hi to wonderful people?
Or Fulfill your endless appetite?
World is still waiting for you,
and Nekmo is your ticket
to the new beginning.
You can go far beyond borders.

It is inflated by air.
When not in use, it can
be deflated and placed
in the included pouch
for compact
transportation.
Weighs only 600g.

Convenient pouch to carry

Push the inflatable airbag to inflate the pillow

LIGHTWEIGHT & COMPACT

Nekmo is rechargeable and cordless, so you can enjoy it while traveling or outdoors.

It lasts approximately 2 hours on a single charge, so you can enjoy it without recharge in long travel.

Can be recharged with either an AC adapter or USB, so you can charge from your PC and other machines directly.

RECHARGEABLE & CORDLESS
